

Gerry Udell, Inc. is proud to announce that Gerry Udell will be joining our company. Gerry's grandfather and namesake would be especially proud at this moment.

This makes Gerry Udell, Inc. the only Professional Beauty Sales Rep Organization that is now in it's third generation.

This speaks volumes about our company and our positive view of the Professional Beauty Business. It also reaffirms our belief in the crucial role that a strong regional Northeast Sales Organization will play in the future of our industry.

CONGRATULATIONS GERRY!
